

On Sunday October 7th (Thanksgiving), 3000 participants from across the country will be making their way through your community. We encourage you to come out and show your support by showcasing the Annapolis Valley hospitality – Post a sign on your property, have some music playing, or simply come outside and cheer them on. Our races start at 7:00am with a huge volume of people so please have patience getting around Wolfville. If you have any concerns at all, please contact us at valleyharvestmarathon@gmail.com.

We hope you will come out and show the community spirit for this well-known event that will occur every Thanksgiving Sunday through these roads.

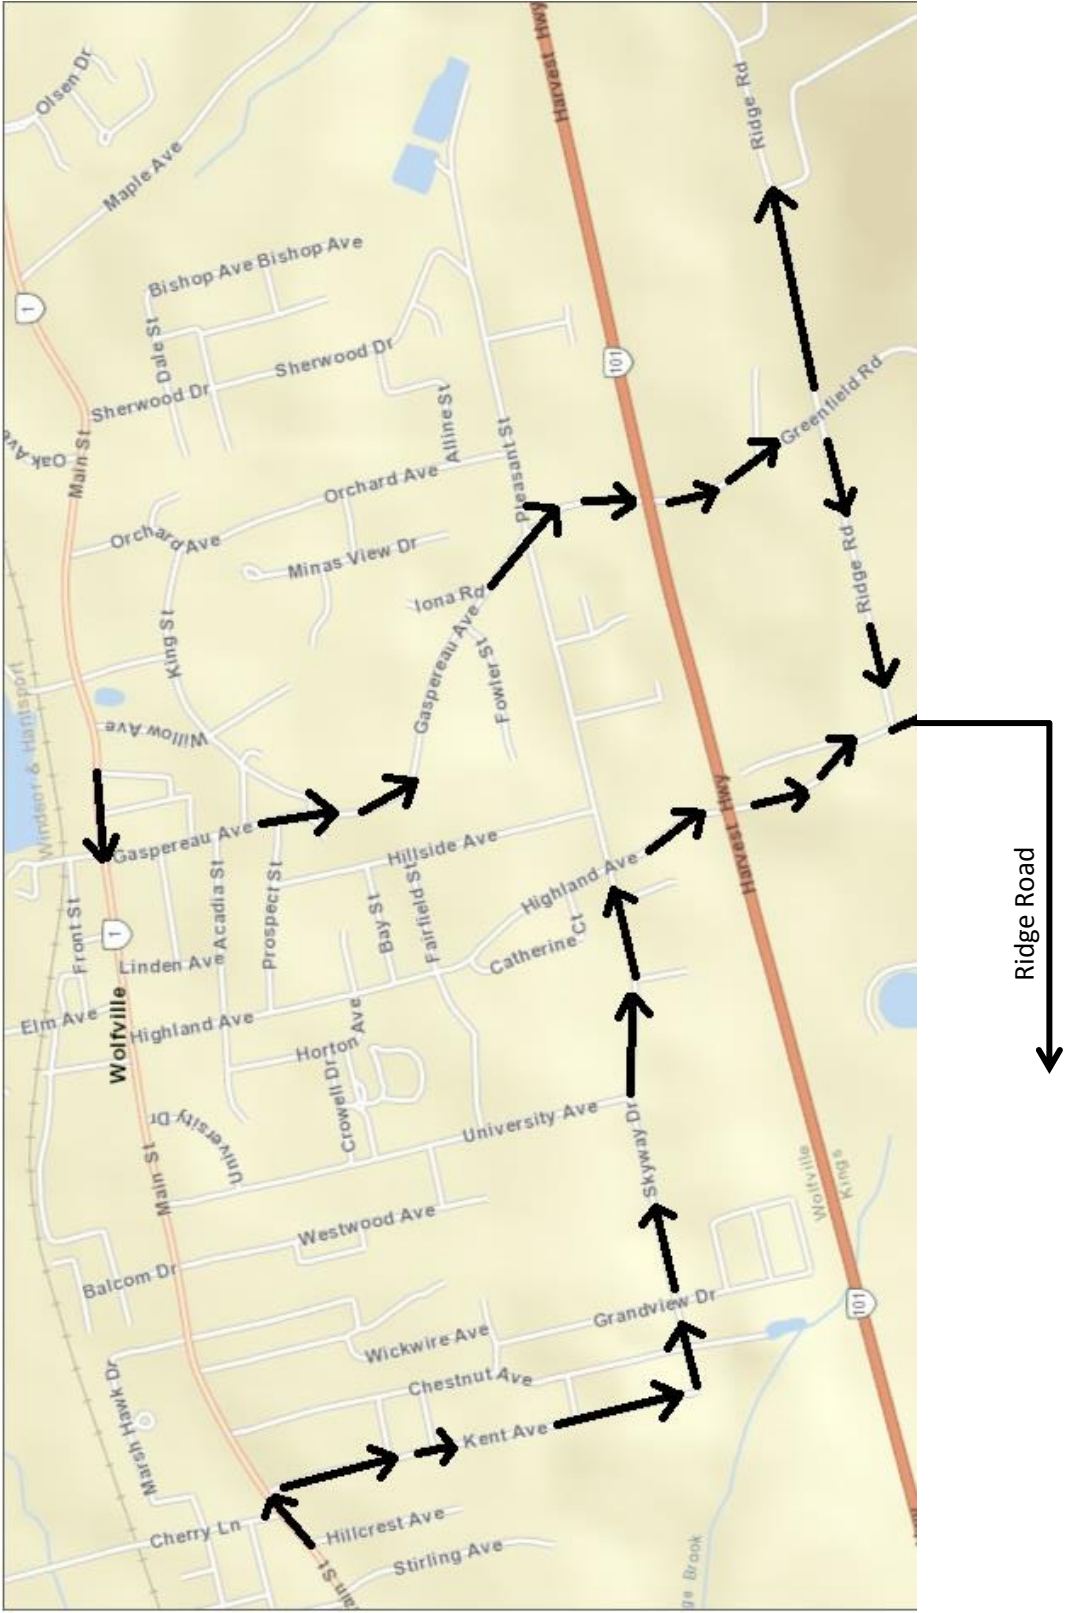

Sincerely, *The 2018 Valley Harvest Marathon Committee*
