**VALLEY
HARVEST
MARATHON**

**VALLEY REGIONAL HOSPITAL FOUNDATION'S HEALTH & WELLNESS
EXPO**

Saturday – October 6th, 2018

Main Gymnasium – Acadia University Athletic Complex

Location

The Valley Regional Hospital Foundation's Health & Wellness Expo will take place at the Main Gym at Acadia University from 12:00 pm – 6:00 pm while event participants are picking up their race kits, registering for events and bringing children in for the Valley Harvest Kids Fun Run.

The Expo will not only expose your booth or display to the over 3,500 potential customers from the running community along with the general public who will be invited to attend as well. Over 3500 registrants are anticipated for the 2018 ultra-marathon, marathon, half marathon, 5K and 10 K and kids races, and each one will be at the Expo to receive their Race Kits and registration materials. We anticipate the runners will spend an average of two hours at the Expo, creating an excellent climate for you to meet our runners, talk to them and provide them with information on your products and services as they relate to health and wellness with the opportunity of learning more about what the Valley Regional Hospital Foundation is achieving in our community.
